DAVE SPIKEY

"LIVING THE DREAM"

TOUR 2005 - WITH SPECIAL GUEST

Following on from the phenomenal success of his critically acclaimed "Overnight Success Tour", Double British Comedy Award Winner, Star of ITV's 'Dead Man Weds' and Channel 4's 'Phoenix Nights', Dave Spikey takes to the road again in this, his hotly anticipated brand new live show.

He scooped the prestigious title 'Performance of the Year', at the Manchester Evening News Theatre Awards, and 'Best Comedy Performance' at the Leicester Mercury Awards for his previous tour, and now he's back with a brand new show - 'Living the Dream'.

Following hot on the heels of his new six part comedy drama 'Dead Man Weds' - Dave's first solo writing project and his only major TV appearance since playing the inimitable "Jerry St Clair", Dave returns to the road to indulge in his first love - live stand-up.

Along for the ride will be Dave's very special guest - former vagabond and menace turned comedian and juggler extraordinaire, the multi talented, Steve Royle. Don't miss the opportunity to see the phenomenon that is Dave Spikey live - book early to avoid disappointment!
